**COMPUTER AND INTERNET
ACCEPTABLE USE POLICY AND AGREEMENT**

Listed below are the provisions of your agreement regarding computers and/or Internet use. If you have any questions about these provisions, you should contact the Academy's Director of Technology. If any user violates this Policy and Agreement, the student's access will be denied, if not already provided, or withdrawn and he/she may be subject to additional disciplinary action.

I. Personal Responsibility

By signing this Policy and Agreement, you are agreeing not only to follow the rules in this Policy and Agreement, but are agreeing to report any misuse of the computers and/or Internet access to the Director of Technology. Misuse means any violations of this Policy or any other use that is not included in the Policy, but has the effect of harming another or his or her property.

I. Term of the Permitted Use.

A student who submits to the Academy, as directed, a properly signed Policy and Agreement and follows the Policy to which he has agreed will have computer and/or Internet access during the course of the school year only. Students will be asked to sign a new Policy and Agreement each year during which they are students in the Academy before they are given an access account.

III. Purpose and Use.

A. The Academy is providing access to its computers and/or the Internet for *only* educational purposes.

B. All users must abide by rules of network etiquette, which include:

1. Be polite. Use appropriate language.
2. Be safe. In using the computers and/or Internet, do not reveal personal information such as your home address and telephone number.

Among uses that are considered unacceptable and constitute a violation of this Policy and Agreement are:

3. uses that are offensive to others.
4. uses that violate the law or encourage others to violate the law.
5. uses that cause harm to others or damage to their property.
6. uses that jeopardize the security of student access and of the computers and/or other networks on the Internet.
7. uses that access controversial or offensive materials.
8. uses that are commercial transactions.

IV. Privacy

Computer and Internet access is provided as a tool for your education. The Academy reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computers and/or Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the Academy and no user shall have any expectation of privacy regarding such materials.

VI. Warranties/Indemnification

The Academy makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computers and/or Internet provided under this Policy and Agreement. It shall not be responsible for any claims, losses, damages or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user or his/her parent(s) or guardian(s) arising out of the user's use of its computers or the Internet under this Policy and Agreement. By signing this Policy and Agreement, users are taking full responsibility for his/her use, and the user who is 18 or older or, in the case of a user under 18, the parent(s) or guardian(s) are agreeing to indemnify and hold the Academy, the Data Acquisition Site that provides the computer and Internet access opportunity to the Academy and all of their administrators, teachers and staff harmless from any and all loss, costs, claims or damages resulting from the user's access to its computer and/or Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or, if the user is a minor, the user's parent(s) or guardian(s) agree to cooperate with the Academy in the event of the Academy's initiating an investigation of a user's use of his/her access to its computers and/or Internet, whether that use is on a school computer or on another's computer on campus.

Student's agreement (every student, regardless of age, must read and sign below):

I have read, understand and agree to abide by the terms of the foregoing Acceptable Use Policy and Agreement. Should I commit any violation or in any way misuse my access to the Academy's computers and/or internet, I understand and agree that my access privilege may be revoked and disciplinary action may be taken against me.

Parent or Guardian Computer\Internet Usage Agreement (to be read and signed by parents or guardians of students who are under 18):

As the parent or legal guardian of this student, I have read, understand and agree that my child or ward shall comply with the terms of the Academy's Acceptable Use Policy and Agreement for the students' access to the Academy's computers and/or Internet. I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the Academy to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the Policy and Agreement. I am therefore signing this Policy and Agreement and agree to indemnify and hold harmless the Academy and the Data Acquisition Site that provides the opportunity to the Academy for computers and Internet access against all claims, damages, losses and costs, of whatever kind, that may result from my child's or ward's use of his/her access to such networks or his/her violation of the foregoing Policy and Agreement. Further, I accept full responsibility for supervision of my child's or ward's use of his/her access account if an when such access is not in the Academy setting. I hereby give permission for my child or ward to use the building-approved account to access the Academy's computers and/or Internet.
