

WE DEVELOP THE TOTAL YOUNG MAN Academically, Socially and Emotionally

2016 – 2017 Course List

Academic Concentrations

Academic concentrations offered at GRA include:

- Humanities
- Sciences
- Fine Arts
- English
- Digital Design

Students must earn two (2) full credits, or the semester equivalent, beyond the graduation requirements in order to receive a certificate in an academic concentration.

About GRA

Established in 1831, Grand River Academy is a college preparatory boarding and day school that helps young men activate their academic, emotional and social potential and prepares them for lifelong success. GRA is located in Austinburg, Ohio, and serves over 100 young men in grades 8-PG.

Foundations Learning Program

The purpose of the Foundations Learning Program is to develop skills and confidence with daily support activities that will help the student achieve academic success and become independent learners. There is an additional fee for this service.

*The Online School for Boys is a program operated and managed by the Online School for Girls, Inc., a 501(c)(3) non-profit organization in Bethesda, Maryland. Accreditation for the Online School for Girls is with the Middle States Association of Colleges and Schools.
