With immense gratitude, Grand River Academy is pleased to share the following acknowledgement listings, recognizing the individuals, organizations, corporations and foundations who made contributions to GRA during the 2014-2015 school year.

We are grateful for the many names that appear in this listing, which includes not only contributions made to The Blue & White Fund, but also the generous capital pledge payments and gifts received to GRA's Endowment Fund.

THANK YOU!

The Blue & White Fund – GRA's Annual Fund

Grand River Academy is proud to announce The Blue & White Fund, GRA's annual operating campaign, raised over over \$249,000 during the 2014-2015 school year - surpassing the \$200,000 goal!

Donations designated to GRA's Blue & White Fund support the many features that make our campus a home including residential life, scholarship/financial aid, athletics, faculty professional development, facility maintenance and, often, an area of greatest need during a particular school year. In-kind donations are also included. Your gift makes an impact!

GRA extends its utmost thanks to the many donors who helped GRA reach this significant goal.

Capital & Endowment Funds

Grand River Academy is pleased to announce that over \$78,000 was designated to capital projects and the Endowment Fund during the 2014-2015 school year!

Pledge payments continue to be made on the Bud Field Student Center and the Robert S. Morrison Lecture Center, which are actively being put to good use by the GRA family and the community-at-large. Additionally, contributions have been made during the 2014-2015 school year, which are restricted for to-be-determined capital projects at GRA.

Gifts to the GRA Endowment Fund ensure the financial stability of Grand River Academy and secure the GRA experience for young men in the future years.

GRA extends its utmost thanks to the many donors who embrace the vision of the future at Grand River Academy.
